

Upgrade path to four position for your Smart Evaporator C1

4Kit for Smart Evaporator C1

“4kit” transforms your C1 into FOUR position simply by exchanging the head parts and heat block.

Smart Evaporator C 1

Smart Evaporator C1 with 4kit attached

4kit is a set of:

- 1 head part that accommodates four plugs (to be connected directly to the C1 plug adaptor)
- 4 each of P1 and P2 Spiral Plugs
- 4 sealing plugs
- 1 heat block that replaces the aluminum beads (one block can accommodate any of below vials)
- 4 each of 2ml, 4ml and 6ml vials

Four plugs

Heat block

Please check the type of your C1 in order to choose the fitting 4kit.
